Thursday

The image is a screenshot of a mobile application interface. At the top, there is a red header bar. On the left side of the header, there is a white hamburger menu icon. To its right, the text "DARE TO SOAR" is written in white, uppercase letters, followed by a white graphic of a bird in flight. Below the header, the main content area has a light gray background. A white rectangular box is centered in this area. Inside the box, the top section has a light gray background and contains a date navigation bar with "< Aug 25, 2022 >" on the left and an "Options" button with a downward arrow on the right. Below this bar is a dark gray horizontal strip with the word "Thursday" in white, bold text. The bottom portion of the white box is a large, empty yellow rectangle.

You can click on the profile of each child and see their information, schedule, assignments, ect.
